Your vehicle, at a glance

One reference sheet per vehicle. Keep document numbers and security codes elsewhere.

Vehicle / registration / model year

Engine / fuel type / transmission

Starting mileage / date / miles or km

Handbook / service schedule: where to find them

Garage / assistance contacts

Personal & household use. Keep completed records securely. info@reallybyte.com

Completed maintenance

Record only work that was actually completed. Keep the invoice or report.

Date / mileage	Work completed / by whom	Cost / invoice reference

Currency / units: _____ Notes / next action:

Personal & household use. Keep completed records securely. info@reallybyte.com

Compare the shortlist

Compare evidence against your brief. Do not award a good score to an unanswered question.

Need / evidence	Car one	Car two	Car three

Currency / units: _____ Notes / next action:

Personal & household use. Keep completed records securely. info@reallybyte.com

Decide, pause or walk away

A recorded decision makes it easier to resist pressure and remember the evidence.

Vehicle / date / decision

Why it fits / why it does not

Unresolved questions / costs / conditions of purchase

Evidence relied on / independent advice

Next action / who / when
